Education

Sri Dev Suman Uttarakhand University

Bachelor of Computer Applications (CGPA: 8.79)

Sep 2021 – June 2024

Haridwar, Uttarakhand

SSSSMIC, Haridwar

Intermediate (12th) (Percentage: 89.2%)

April 2019 – March 2021

Haridwar, Uttarakhand

Bal Sansar IC, Nainital

Matriculate (10th) (Percentage: 85.4%)

March 2019

Nainital, Uttarakhand

Experience

Halonix

May 2024 – June 2024

UX Designer (Trainee)

- **UI/UX Design:** Designed Halonix's website in **Figma**, from wireframes to high-fidelity prototypes with a user-first approach.
- **Testing & Iteration:** Conducted usability tests, applied feedback, and refined designs for better functionality.
- **Collaboration & Tools:** Delivered dev-ready assets in sync with teams. **Tools:** Figma, Canva.

Techpyro

Aug 2024 – Present

UX/UI Designer (Trainee → Intern → Full-Time)

Haridwar

- Designed **end-to-end UI/UX** for real-world apps — including **e-commerce**, **AI platforms**, **community networks**, and a **crypto trading dashboard**.
- Built **200+ responsive web/mobile screens** in **Figma**, focusing on **user flows**, **visual consistency**, and **design systems**.
- Collaborated with developers for smooth **design-to-development handoff** and **user-friendly delivery**.
- Applied **modern UI patterns**, **component libraries**, and **real-time prototyping** based on client feedback.
- Managed **LinkedIn and Instagram posts**, designing visuals and overseeing publishing to maintain brand identity.
- **Tools:** Figma, Canva, Figjam, Motiff, Adobe Illustrator

Projects

EduRuby

- Designed a **complete end-to-end user flow** for a **government exam preparation platform**, covering **courses**, **e-books**, **video lectures**, and **mock tests**.
- Built **role-based dashboards** for **students and teachers** with **performance analytics**, **progress tracking**, and **course management**.
- Improved **course discovery**, **progress visibility**, and **user engagement** by creating a **structured**, **trackable**, and **scalable learning experience**.
- **Prototype Quick Link:** [EduRuby](#)

Noblegate – AI + Human-Led Outsourcing Platform

- Worked on **Noblegate**, a **US-based operations & IT outsourcing platform** combining **AI automation** with **dedicated offshore teams**.
- Designed the **complete web experience** with **light and dark modes** and a fully **responsive mobile UI**, using **clean and structured layouts**.
- Enhanced **user trust and decision-making** by clearly presenting **business value**, **service models**, and **cost-saving benefits**.
- **Prototype Quick Link:** [Noblegat](#)

Designing Delight: UI/UX for a Modern Fashion App

- Designed mobile-first UI/UX for **Ding Dong Dresses**, a fashion e-commerce app for seamless discovery and purchasing.
- Created **intuitive product flows**, **engaging layouts**, and features like smart filters, wishlist, and responsive checkout.
- Focused on a **bold yet elegant** visual theme to enhance **usability**, **conversion**, and appeal to fashion-savvy users.
- **Prototype Quick Link:** [Ding Dong Dresses](#)

NFT Marketplace

- Designed the UI/UX for MFT, a **compact marketplace platform** with **user signup**, **ranking system**, and **integrated wallet features**.
- Focused on **simple user onboarding**, **product browsing flows**, and a **clear transaction experience**.
- Improved **transactional clarity** and **user engagement** for a **lightweight marketplace setup**.
- **Prototype Quick Link:** [NFT](#)

Binance Clone – UI Exploration for a Crypto Trading Platform

- Designed a high-fidelity, **Binance-inspired crypto trading UI**, including dashboard, asset tracking, charts, and wallets.
- Prioritized **information hierarchy**, **dark mode UI**, and clean visuals for dense financial data clarity.
- Emulated real trading behavior with **intuitive charts**, live asset cards, and a **responsive, professional-grade prototype**.
- **Prototype Quick Link:** [Binance Clone](#)

Skills

- **Design Tools:** Figma, Canva, Affinity, UX Pilot, Stitch, Motiff AI, Canva AI, Framer, Nano Banana, Notion
- **Web Design:** HTML, CSS
- **Product Design:** UX Architecture, Wireframing, Prototyping, UI Design, Design Systems
- **UX Methods:** User Experience (UX), Design Thinking, Usability Testing
- **Research:** User Research, User Interviews, Usability Testing, Personas, Journey Mapping, A/B Testing, Client Management

Achievements

- **UI/UX Designer and Social Media Visual Strategist:**
 - Designed and managed LinkedIn & Instagram content, including visuals and copy, ensuring brand consistency and boosting engagement
- **Curricular:**
 - Attended a workshop on AI for Beginners
 - Recognized as Microsoft Office Specialist
- **Co-Curricular:**
 - Participated in various College fests including Fresher's party and Exordium
 - Volunteer of National Services Scheme (NSS)
 - Served as House Captain
 - Secured 1st Position in District Level Kabaddi Championship
