Education

Sri Dev Suman Uttarakhand University

Bachelor of Computer Applications (CGPA: 8.79)

Sep 2021 – June 2024

Haridwar, Uttarakhand

SSSSMIC, Haridwar

Intermediate (12th) (Percentage: 89.2%)

April 2019 – March 2021

Haridwar, Uttarakhand

Bal Sansar IC, Nainital

Matriculate (10th) (Percentage: 85.4%)

March 2019

Nainital, Uttarakhand

Experience – 1 year 6 months

Halonix

March 2024 – August 2024

UX Designer (Internship - 6 months)

- **UI/UX Design & Prototyping:** Designed Halonix's website in **Figma**, from wireframes to high-fidelity prototypes, ensuring a seamless and user-friendly interface.
- **User Testing & Iteration:** Conducted usability tests, applied feedback, and refined designs to improve UX and functionality.
- **Collaboration:** Worked with developers and stakeholders to deliver clear, implementation-ready design assets.
- **Tools:** Figma, Canva

Techpyro

Aug 2024 – Present

UX/UI Designer (Trainee → Intern → Full-Time)

Haridwar

- Designed **end-to-end UI/UX** for real-world apps — including **e-commerce**, **AI platforms**, **community networks**, and a **crypto trading dashboard**.
- Built **200+ responsive web/mobile screens** in **Figma**, focusing on **user flows**, **visual consistency**, and **design systems**.
- Collaborated with developers for smooth **design-to-development handoff** and **user-friendly delivery**.
- Applied **modern UI patterns**, **component libraries**, and **real-time prototyping** based on client feedback.
- **Tools:** Figma, Canva, Figjam, Motiff, Adobe Illustrator

Projects

Designing 56+ Screens of Purpose: Amal Social Web & Mobile UI

Jun 2025 – Jul 2025

- Designed end-to-end UI/UX for **Amal Social** — a large-scale community platform with **56+ web pages** and a **mobile app**.
- Developed modules like **blogs**, **classifieds**, **events**, **real estate**, and **carpooling**, with **responsive**, **accessible** design.
- Focused on **user-centered flows**, **clean UI**, and **visual consistency** across platforms for an engaging experience.
- **Prototype Quick Link:** [Amal Social](#)

Designing AIBOTIX: Where AI Meets Elegant UX

May 2024

- Designed and prototyped the complete UI for **AIBOTIX**, an AI-powered platform focused on intelligent chatbot interactions and smart assistant features.
- Created modern, clean, and responsive layouts that prioritize **clarity**, **accessibility**, and **seamless user interaction**.
- Crafted intuitive user journeys with consistent design patterns across chat flows, settings, and knowledge interfaces.

- Delivered high-fidelity prototypes in Figma, emphasizing **scalability, minimalism**, and **real-world usability**.
- **Prototype Quick Link:** [AIBOTIX](#)

Designing Delight: UI/UX for a Modern Fashion App

March 2024 – Apr 2024

- Designed a mobile-first UI/UX for **Ding Dong Dresses**, a modern e-commerce app focused on seamless fashion discovery and purchasing.
- Crafted intuitive product flows, clean layouts, and **visually engaging interfaces** to elevate the online shopping experience.
- Implemented user-friendly features like smart filtering, wishlist, and responsive checkout to maximize **usability and conversion**.
- Focused on a bold yet elegant visual theme that appeals to fashion-forward mobile users.
- **Prototype Quick Link:** [Ding Dong Dresses](#)

Binance Clone – UI Exploration for a Crypto Trading Platform

February 2024

- Designed a high-fidelity **Binance-inspired crypto trading interface**, replicating core user flows including dashboard, asset tracking, trading charts, and user wallets.
- Focused on **information hierarchy, dark mode UI**, and clean visuals to handle dense financial data with clarity.
- Emulated real-world trading behavior by incorporating intuitive charts, live asset cards, and a responsive layout.
- Delivered a pixel-perfect prototype that blends **professional finance UX** with modern visual design practices.
- **Prototype Quick Link:** [Binance Clone](#)

Skills

- **Design Tools:** Figma, Canva
- **AI Tools:** UX Pilot, canva AI, Motiff AI, Framer AI
- **Web Design:** HTML, CSS
- **Product Design:** Wireframing, Prototyping
- **UX Methods:** User Experience (UX), Design Thinking, Usability Testing
- **Research:** User Research, Client Management

Achievements

- **Curricular:**
 - Attended a workshop on AI for Beginners
 - Recognized as Microsoft Office Specialist
- **Co-Curricular:**
 - Participated in various College fests including Fresher's party and Exordium
 - Volunteer of National Services Scheme (NSS)
 - Served as House Captain
 - Secured 1st Position in District Level Kabaddi Championship
